THE MARKETS.

Wall Street Review.

New York, Aug. 9. - From a condition of decided strength in the early dealings the market began to show an exhaustion of the buying power and prices declined gradually until the fianl hour, when there was an effective bear drive against the grain carrying roads. This movement was based on surmises that the government's monthly crop report to be issued tomorrow would reflect greater damage than current expectations. This supposition was also effectually backed up by Honesdale, Aug. 9 .- Miss Hattie Sut- the estimate of a recognized expert ton went on Friday to Catasauqua, Pa., who predicted a possible condition for wheat at 78 and corn 60.
